Research Bulletin

OF THE

National Education Association

INDEX TO VOLUME XXVIII, 1950

Accident Facts: reference, 25.
Accidents: extent of, among school patrol members, 25–26; hospitalization insurance, 26–27; liability insurance, 26; liability, legal, 27–28.
Administration and Supervision of School Health Service: reference, 93, 94.
Administration of retirement systems: costs, 173; duties of retirement boards, 172–73.
Administrators and supervisors of health education, physical education, and recreation: employed in city schools, 95–96.
Administrators and supervisors of school health services: employed in city schools, 95.
Annuities: *See* Retirement, Public-School.

Benefits from retirement systems: nature and support, 123–58.
Budgets: policies and procedures, 54–59.

Census: Sixteenth (1940), referred to, 86.
Community relationships: concerning school patrols, 27, 30–31; in providing school health services, 101–105; public approval of school budgets, 57–58.

Death benefits: need for, 174; payable on death of active members, 153–155; payable on death of retired members, 151–53.
Dental hygienists: employed in schools, 98–99.
Dentists: employed in schools, 97–98; needed for school health programs, 93.
Disability retirement allowances: accidental death, 150; accidental disability, 150; permanent disability allowances, 147–50; temporary disability benefits, 147.

Encyclopedia of Educational Research: reference, 49.

Fire drill patrols: insignia, 17; practices in school use, 36–37; selection of members, 16–17; size, 16; supervision and direction, 17.
Fiscal authority of city schoolboards: *See* Schoolboards.

Givens, Willard E.: forewords, 4, 48, 84, 117.
Glossary: terms used in teacher retirement, 118.

Health departments: cooperation with schoolboards, 101–102.
Health, physical education, and recreation: cooperation, schoolboards and health departments, 101–102; cooperative relationships in providing school health services, 101–105; councils, personnel of, 104; councils, school health, 102–105; dental hygienists employed, 98–99; dentists employed, 97–98; dentists needed, 93; directors and supervisors employed, 95–96; directors and supervisors needed, 93; discussion, 85–86; distribution of replies by city size, 86; enrolments in health and physical education, 89–91; enrolments in recreation programs, trends, 91; expenditures for health, physical education, and recreation, 106; health instruction, 87; instructors employed, 99–100; instructors needed, 94; nurses employed, 98, 99; nurses needed, 94; obstacles and difficulties, 107; organizations assisting in health programs, 102, 103; percent of pupils enrolled in health, physical education, and recreation, 89, 90; personnel and relationships in, 83–111; personnel employed in health, physical education, and recreation, 95–100; personnel needed in health, physical education, and recreation, 93–94; physical education, 87–88; physicians employed, 96–97; physicians needed, 93; psychologists employed, 99; publications on related topics, 110–11; pupils enrolled and time allowed, 89–92; ratio of nurses to pupils, 98; scope of study, 85–86; source of information, replies to questionnaire, 85; specialists employed, 99; specialists needed, 94; standards for enrolment and time scheduling, 87–88; summary and conclusions, 108–109; summer recreation, personnel, 100; time allotments for health and physical education, 91, 92; types of help for health programs, 102, 103, 104.
Health specialists: employed in health, physical education, and recreation, 99; needed in health, physical education, and recreation, 94.

Improvement of retirement systems: contractual basis, 174; immediate problems, 175; reciprocity, 174; survivors' benefits, 174; time needed for improvements, 175.

Kiwanis: referred to, 103.

Liability, Legal: for accidents, 25–28.
Lions Clubs: referred to, 102.

Maximum and minimum retirement allowances: maximum allowances, 142; minimum allowances, 142–46.
Medical Economics: reference, 97.
Money-purchase allowances: benefits payable, 138; contributions from public funds, 135–138; formulas, 138–139; members' contributions, 134–35.
Municipal Corporations: reference, 77.

National Committee on School Health Policies: referred to, 87, 91.
National Education Association: *Cardinal Principles of Secondary Education*, referred to, 84; referred to, 4, 48, 117.
